Narayana Junior College <i>Intermediate / Percentage : 94</i>	Nandyal, Andhra Pradesh 2019 – 2021
Sri Shanthinikethan EM School <i>SSC / Percentage : 98</i>	Nandyal, Andhra Pradesh 2018 – 2019

PROJECTS

Fake Product Detection System Using Block chain Technology

Developing a block chain-based solution to identify and track counterfeit products in supply chains. Integrated QR code technology to enable easy and secure product authentication

Library Management System (Minor Project) *Tech Stack: HTML / CSS / JavaScript* [Source Code](#)

- Used HTML, CSS, and JavaScript to create an interactive Library Management System. This system lets users add, view, update, and manage book records.
- Added features for entering new books, updating current entries, deleting records, and searching or filtering by title or author.
- Made sure the UI design is clean and responsive for easy access on various devices and screen sizes.

TECHNICAL SKILLS

Languages	: C C++ Java Python JavaScript
Databases	: SQL
Front End	: HTML CSS
Concepts	: Data Structures and Algorithms Object Oriented Programming Software Testing

CERTIFICATIONS | ACHIEVEMENTS

- Certified in C and Data Structures from [from BYTS INDIA]
- Certified in JAVA Programming - Beginner level From Udemy
- Smart India Hackathon [From RGM CET]

SOFT SKILLS

- Time management
- Self – motivated
- Team work
